# Proposal to update the bylaws

# Minor changes and clarifications (4 changes)

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	7	[...] Medlemmerne kan ikke møde ved fuldmægtig.	[...] Der kan ikke afgives stemmer via fuldmagt.	Klarificering – ingen egentlig indholdsmæssig ændring
English	7	[...] Members cannot participate in a meeting by way of proxy.	[...] Voting cannot happen by way of proxy.	Clarification – no real change in content

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	8	[...] ved annoncering i cirklen [...]	[...] ved annoncering i cirklen i forbindelse med løb [..]	Klarificering så udefra kommende (fx banken) bedre kan forstå.
English	8	[...] at both the circle and [...]	[...] at both the circle held in connection with a run and [...]	Clarification so outsiders (e.g. the bank) can better understand.

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	9	Fremlæggelse af regnskab, evt. det foreløbige	Fremlæggelse af det foreløbige årsregnskab	Fjernede en forskel på dansk- og engelsksproget udgave, og gjorde det klart at regnskabet vil være foreløbigt. Vi kan aldrig fremlægge endeligt regnskab med mindre vi lægger generalforsamlingen i det efterfølgende år
English	9	Submission of accounts and draft budget	Submission of the draft annual accounts	Removed a discrepancy between Danish and English versions, and clarified that the accounts are preliminary – they will never be final unless we move the AGM to the following year

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	10	[...] Uanset ovenstående stykke kan The Mismanagement efter eget valg supplere med kommitterede uden stemmeret.	<i>Fjernet</i>	Dette er en unødvendig pasus. Det er en naturlig del af den ledelsesret der er etableret i selvsamme paragraf, at bestyrelsen kan nedsætte kommiteer.
English	10	[...] Notwithstanding the above paragraph, The Mismanagement may, at its discretion, supplement The Mismanagement with non-voting members.	<i>Removed</i>	This sentence is redundant. It is a natural consequence of the management rights of the Mismanagement that they may create sub-committees.

Clarifying changes in relation to tax laws and bank authorities (know your customer (KYC))  
(5 changes)

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	2	CH3's formål er [...]	CH3 er en almennyttig forening hvis formål er [...]	At fastslå at vi er en almennyttig forening i lovens forstand således at vi ikke risikerer beskatning.
English	2	The purposes for which CH3 is established is [...]	CH3 is a non-profit organisation established with the following purposes [...]	Establish CH3 as non-profit to ensure that we aren't liable for taxation.

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	13	<p>Når alle CH3's forpligtigelser er indfriet, kan de på opløsningstidspunktet værende medlemmer beslutte, at den resterende formue enten <b>skal anvendes til en fest eller skal fordeles ligeligt mellem medlemmerne.</b></p>	<p>Ved foreningens ophør skal de på opløsningstidspunktet værende medlemmer beslutte, at den resterende formue efter indfrielse af alle CH3's forpligtigelser, <b>doneres til en velgørende organisation eller en anden almennyttig forening.</b></p>	<p>Ved en almennyttig forenings ophør skal resterende midler doneres hvis ikke de skal være skattepligtige.</p>
English	13	<p>When all CH3's commitments and liabilities have been discharged, current members of CH3 shall decide to <b>discharge the remaining funds either by holding a party or by distribution equally to the current members.</b></p>	<p>In the case of dissolution of the association, current CH3 members shall decide, once all CH3's liabilities have been discharged, <b>to donate the remaining funds to a charitable organisation or another non-profit organisation.</b></p>	<p>If a non-profit is dissolved any remaining funds are liable for taxation unless donated.</p>

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	4	[...] overførsel af kontingentet til CH3's bankkonto, eller kontant til et medlem af The Mismanagement.	[...]overførsel af kontingentet til CH3's bankkonto.	Kontingent skal fremover betales til foreningens bankkonto og kan ikke betales kontant. Dette vil sikre sporbarhed og minimere fejl.  Pay-per-run er ikke berørt af denne paragraf.
English	4	[...] transfer of the membership fee to CH3's bank account, or by payment in cash to a member of The Mismanagement.	[...] transfer of the membership fee to CH3's bank account.	Remove the option of paying membership fees in cash. This will ensure traceability and minimise potential for errors.  Pay-per-run is not covered by this section.

Language	§	2018 bylaws	New bylaw text	Reason for change
Danish	10	Hvert år udpeges der et nyt Mismanagement mindst bestående af Grand Master, Hash Cash, Hash Tech og Religious Advisor som udpeges på navn af den siddende Mismanagement.	Hvert år udpeger Mismanagement en ny Mismanagement, bestående af i) en Executive Committee med Grand Master, Hash Cash, Hash Tech og Religious Advisor, og ii) et ad-hoc udvalg.	Klarificerer forskellen på minimum-mismanagement og øvrig mismanagement. Dette sker for at sikre os at banken ikke kræver detaljeret baggrund på alle medlemmer af mismanagement.
English	10	Each year, a new Mismanagement is appointed consisting of at least the following: Grand Master, Hash Cash, Hash Tech and Religious Advisor, appointed by the current Mismanagement.	Each year, the current Mismanagement appoints a new Mismanagement consisting of i) an Executive Committee of the following: Grand Master, Hash Cash, Hash Tech and Religious Advisor, and ii) an ad-hoc Sub-committee.	Clarifying the division of the mismanagement's minimum members and additional members. This is to ensure that the bank doesn't require KYC information from the entire mismanagement team.

Omformuleringer der understøtter den nye §10 (forrige slide)</li> </ol>
